<i>Comments:</i>	Re Amendment for variation of premises licence. Co-operative Group Food Ltd Main Street West Linton. I would like to object to the amendment because The WL Co-op does not have storage space to run the shop as it is so we have several deliveries a day causing traffic jams in the center of the Village. I also feel as it is a Convenience Store it would not be able to provide for home deliveries if it was granted it would mean more deliveries and more congestion. We live in a Conservation Village and the need for this is just not there
