4.1 Portfolio Manager, James Lamb, gave a slide presentation providing an update on the Place Making Approach. A full report, Place Making - Next Steps had been agreed by Scottish Borders Council at the meeting on 26 August 2021. Mr Lamb explained that following significant consultation with all 5 Area Partnerships, the focus was now on transforming how the council worked with its communities, using consistent methods to provide fair opportunities for development across the region. Each Area Partnership was asked to agree to a proposed joint framework. Mr Lamb outlined some of the proposed Joint Principles and explained that those presented at this meeting were a suggestion, and that feedback on the principles was welcomed. Mr Lamb went on to explain how initial areas for development could be identified using various criteria, such as the Town Centre Index, Existing Locality Plans, Funding-Ready Projects and Economic & Demographic Growth factors. Plans including criteria to promote the development of smaller communities were also being worked on. It was noted that it was highly desirable to draw upon community knowledge rather than purely statistical analysis.

4.2 Regarding the availability of resources, Mr Lamb referred to paragraph 8 of the full report. He drew attention to paragraph 8.6 which outlined that 9 new Scottish Borders Council posts have been created: 2 Community Place Planning and Regeneration Officers, 5 Community Engagement Officers, 1 Climate Change Officer and 1 Green Space Programme Officer who would support place-making activity. Mr Lamb went on to stress that the speed of action and what would happen was in the hands of the Area Partnership. He asked the Area Partnership to provide feedback on the proposed joint

principles, the proposed framework and possible options for Area Partnerships to prioritise where place making activity started and how it could be extended to include all communities as part of a multi-year programme. Mr Lamb would circulate a feedback form via email following the meeting, the responses to which would be analysed and presented at the next appropriate meeting.

- 4.3 The Chairman thanked Mr Lamb for his presentation. It was agreed that a link to the August Council Paper, the draft terms of reference and a copy of the slide presentation would be issued.

All of those who had taken part had succeeded in gaining the John Muir Trust "Explorer" award after they demonstrated their leadership skills, knowledge of nature and the ability to lead guided walks. The project had been a great success and promoted further education opportunities, which had helped the young people realise the potential career opportunities available working outdoors or with young people. ### 10.3 **Bird Garden Scotland**

The application under consideration was for a grant of £3,960 to enable the purchase of 10 picnic tables by Bird Garden Scotland to allow visitors to sit and have refreshments at a local greenspace. #### 11.2 **Langlee Community Centre**

Langlee Community Centre Management committee applied for a grant of £2,227 to meet the cost of offering free lets to 10 affiliated groups over a 2 month period. The grant would allow the groups to return to the centre without a financial burden, and aimed to alleviate any concerns about the viability of groups meeting due to low attendance rates. Members discussed the application and raised some concerns regarding the high level of financial reserves held by the centre relative to the grant application as well as a lack of consultation with the affiliated groups involved. The funding would allow the area to be made into a safe and comfortable area for the local community to sit and enjoy. It was noted that the garden was overgrown and unsuitable for relaxation. The requested funding would allow the Church to appoint a gardener for 4 hours per week for a 6 month period to work alongside volunteers to maintain the garden.
