Letter of thanks- Jed Thistle

Dear Sir/ Madam,

The purpose of this short letter is to thank the management and members of Jed Thistle RFC for the use of your pavilion building. Local Retained Duty Service staff at Jedburgh Fire Station have, on a number of occasions utilised your pavilion building for the purposes of training and exercising, and in particular, breathing apparatus training.

It is vital to maintaining our skills to train in 'off station' venues which provide us with realistic scenarios, which are often initially unfamiliar to our staff. The subsequent visitation and exercising provides our staff with an improved knowledge and understanding of the venue, which is of course, beneficial to yourselves, should SFRS require to attend in an actual emergency incident.

Once again, many thanks for your assistance to our training needs.

Yours sincerely,

Russell Bell
Station Commander
