Dear Sir

Erection of 4 Apartment Bungalow, Land Adjacent Carnlea Main Street, Helton

Thank you for your letter dated 22nd February 2005 with enclosed location plan of the site.

The plan confirmed that the above proposed development and the rebuild of Khinsper property is in the same location.

As mentioned by Tim Brus on his letter dated 20 April 2004, the property has an existing sewer connection therefore we will permit the use of the existing connection for domestic purposes only.

Should you have any further query please do not hesitate to contact me.

Yours faithfully

Maria Griffard
