APPLICATION REFERENCE : 05/01624/OUT

**STANDARD CONDITIONS**

- a) In the case of any reserved matter, the application for approval must be made not later than the expiration of **three years** beginning with the date of grant of this outline planning permission.
- b) That the development to which this permission relates must be begun not later than whichever is the later of the following dates:-
  - i) the expiration of **five years** from the date of this outline planning permission,
  - ii) the expiration of **two years** from the final approval of the reserved matters, or, in the case of approval on different dates, the **final approval** of the last such matter to be approved.

**SCHEDULE OF CONDITIONS**

- 1 The subsequent approval by the Planning Authority of the means of access, the layout of the site, the design and siting of any buildings and the landscape treatment of the site.  
Reason: Approval is in outline only.
- 2 The means of water supply and of both surface water and foul drainage to be submitted for the approval of the Planning Authority.  
Reason: To ensure that the site is adequately serviced.
- 3 The roofing material to be natural slate.  
Reason: To safeguard the visual amenity of the area.
- 4 Full details of all walls, fences, hardstanding areas, trees and hedges to be submitted for approval by the Planning authority prior to commencement of the development.  
Reason: To safeguard the amenity of the area.
- 5 Visibility improvement of the junction of the private road on to the A6089 to be undertaken to the required standards of the Roads Authority prior to the commencement of the development. The standards are to provide 2.5 x 90m and 2.5 x 120m south and north respectively.  
Reason: In the interests of road safety.
- 6 No development shall take place within the area indicated (this would be the area of archaeological interest) until the developer has secured the implementation of a programme of archaeological work in accordance with a written scheme of investigation which has been submitted by the developer, agreed by the Regional Archaeologist and approved by the Planning Authority.  
Reason: To safeguard a site of archaeological interest.
