**Schedule of Plans and Drawings Approved:**

<b>Plan Ref</b>	<b>Plan Type</b>	<b>Plan Status</b>
PL_1	Location Plan	Approved
PL_2	Proposed Block Plan	Approved
PL_3	Proposed Plans	Approved
PL_4	Proposed Elevations	Approved

**REASON FOR DECISION**

Subject to compliance with the schedule of conditions, the development will accord with the relevant provisions of the Local Development Plan 2016 and there are no material considerations that would justify a departure from these provisions.

**SCHEDULE OF CONDITIONS**

- 1 The development hereby permitted shall not be carried out otherwise than in complete accordance with the plans and specifications approved by the Planning Authority.  
Reason: To ensure that the development is carried out in accordance with the approved details.
- 2 A sample of all materials to be used on all exterior surfaces of the development hereby permitted shall be submitted to and approved in writing by the Planning Authority before development.  
Reason: The materials to be used require further consideration to ensure a satisfactory form of development, which contributes appropriately to its setting.
- 3 Two parking spaces and turning to be provided within the curtilage of the plot prior to occupation and retained thereafter in perpetuity.  
Reason: To ensure the site is served by adequate parking provision at all times.
- 4 No development shall take place except in strict accordance with a scheme of soft landscaping works, which shall first have been submitted to and approved in writing by the Planning Authority, and shall include (as appropriate):
  - i. indication of existing trees, shrubs and hedges to be removed, those to be retained and, in the case of damage, proposals for their restoration
  - ii. location of new trees, shrubs, hedges and grassed areas
  - iii. schedule of plants to comprise species, plant sizes and proposed numbers/density
  - iv. programme for completion and subsequent maintenance.
 Reason: To enable the proper form and layout of the development and the effective assimilation of the development into its wider surroundings.
- 5 Details of all proposed means of enclosure shall be submitted to and approved in writing by the Local Planning Authority before work on the site is commenced. Thereafter development only to be undertaken in accordance with these proposed means of enclosure.  
Reason: To enable the proper effective assimilation of the development into its wider surroundings.

## **FOR THE INFORMATION OF THE APPLICANT**

N.B: This permission does not include any consent, approval or licence necessary for the proposed development under the building regulations or any other statutory enactment and the development should not be commenced until all consents are obtained.

Under The Control of Pollution Act 1974, the Council recommends the following hours for noisy construction-related work:

Monday-Friday 0700-1900

Saturday 0800-1300

Sunday and Public Holidays - no permitted work (except by prior agreement with the Council)

Contractors will be expected to adhere to the measures contained in BS 5228:2009 "Code of Practice for Noise and Vibration Control on Construction and Open Sites".

For more information or to make a request to carry out works outside the above hours, please contact an Environmental Health Officer at the Council.

### **Notice of Initiation of Development**

Section 27 of the Town and Country Planning (Scotland) Act 1997 (as amended) requires that any person who has been granted planning permission (including planning permission in principle) and intends to start development must, once they have decided the date they will start work on the development, inform the planning authority of that date as soon as is practicable. A form is available on the Council's website for this purpose.

### **Notice of Completion of Development**

Section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) requires that any person who completes a development for which planning permission (including planning permission in principle) has been given must, as soon as practicable after doing so, give notice of completion to the planning authority.

When planning permission is granted for phased development then under section 27B(2) the permission is to be granted subject to a condition that as soon as practicable after each phase, other than the last, is completed, the person carrying out the development is to give notice of that completion to the planning authority.

In advance of carrying out any works it is recommended that you contact Utility Bodies whose equipment or apparatus may be affected by any works you undertake. Contacts include:

If the applicant is aggrieved by the decision of the Planning Authority to refuse planning permission for or approval required by a condition in respect of the proposed development, or to grant permission or approval subject to conditions, the applicant may require the planning authority to review the case under Section 43A of the Town and Country Planning (Scotland) Act 1997 (as amended) within three months from the date of this notice. The notice of review should be addressed to Corporate Administration, Council Headquarters, Newtown St Boswells, Melrose TD6 OSA.

If permission to develop land is refused or granted subject to conditions, whether by the Planning Authority or by the Scottish Ministers, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, the owner may serve on the Planning Authority a purchase notice requiring the purchase of his interest in the land in accordance with the provisions of Part 5 of the Town and Country Planning (Scotland) Act 1997 (as amended).
