REASON FOR DECISION

Subject to compliance with the schedule of conditions, the development will accord with the relevant provisions of the Local Development Plan 2016 and there are no material considerations that would justify a departure from these provisions.

SCHEDULE OF CONDITIONS

- 1 The development hereby permitted shall not be carried out otherwise than in complete accordance with the plans and specifications approved by the Planning Authority.
Reason: To ensure that the development is carried out in accordance with the approved details.

- 2 Notwithstanding the description of the materials in the application, no development shall be commenced until precise details of the materials to be used in the construction of the external walls and roofs of the buildings have been submitted to and approved in writing by the Planning Authority, and thereafter no development shall take place except in strict accordance with those details.
Reason: The materials require further consideration to ensure a satisfactory form of development, which contributes appropriately to its setting.

- 3 Two parking spaces and turning to be provided within the curtilage of the plot prior to occupation and retained thereafter in perpetuity.
Reason: To ensure the site is served by adequate parking provision at all times.

- 4 No development is to commence until evidence of a public water supply connection to the development is submitted to the Planning Authority for written approval. Thereafter development to be completed in accordance with these details and the supply to be operational before the dwellinghouse is occupied.
Reason: To ensure that the development is adequately serviced with water without a detrimental effect on the water supplies of surrounding properties.

- 5 No development shall take place except in strict accordance with a scheme of soft landscaping works, which shall first have been submitted to and approved in writing by the Planning Authority, and shall include (as appropriate):
 - i. indication of existing trees, shrubs and hedges to be removed, those to be retained and, in the case of damage, proposals for their restoration
 - ii. location of new trees, shrubs, hedges and grassed areas
 - iii. schedule of plants to comprise species, plant sizes and proposed numbers/density
 - iv. programme for completion and subsequent maintenance.
 Reason: To enable the proper form and layout of the development and the effective assimilation of the development into its wider surroundings.

- 6 Details of all proposed means of enclosure shall be submitted to and approved in writing by the Local Planning Authority before work on the site is commenced. Thereafter development to be undertaken in accordance with this approval.
Reason: To enable the proper effective assimilation of the development into its wider surroundings.
- 7 Visibility splays of 2.4 x 90m and 2.4 x 120m (south and north respectively) at the junction of the private road and A6089, to be maintained unobstructed in perpetuity and no fences, gates or enclosure to be erected or landscape planting within these visibility splays without the prior written approval of the Planning Authority.
Reason: To ensure appropriate intervisibility at the road junction, in the interests of road safety.

FOR THE INFORMATION OF THE APPLICANT

It should be noted that:

- 1 The Contaminated Land Officer notes there appears to be a possible historic use of the adjacent land as a blacksmiths within the vicinity of this application however there is no evidence this extended into the application site. Should unexpected ground conditions e.g. made ground extending to depth, discolouration or malodorous substances be encountered in excavations, or evidence of potential contamination e.g. underground structures, remains of buried wastes or equipment be encountered during site works it is requested that Environmental Health are immediately consulted.

N.B: This permission does not include any consent, approval or licence necessary for the proposed development under the building regulations or any other statutory enactment and the development should not be commenced until all consents are obtained.

Under The Control of Pollution Act 1974, the Council recommends the following hours for noisy construction-related work:

Monday-Friday 0700-1900

Saturday 0800-1300

Sunday and Public Holidays - no permitted work (except by prior agreement with the Council)

Contractors will be expected to adhere to the measures contained in BS 5228:2009 "Code of Practice for Noise and Vibration Control on Construction and Open Sites".

For more information or to make a request to carry out works outside the above hours, please contact an Environmental Health Officer at the Council.

Notice of Initiation of Development

Section 27 of the Town and Country Planning (Scotland) Act 1997 (as amended) requires that any person who has been granted planning permission (including planning permission in principle) and intends to start development must, once they have decided the date they will start work on the development, inform the planning authority of that date as soon as is practicable. A form is available on the Council's website for this purpose.

Notice of Completion of Development

Section 27B of the Town and Country Planning (Scotland) Act 1997 (as amended) requires that any person who completes a development for which planning permission (including planning permission in principle) has been given must, as soon as practicable after doing so, give notice of completion to the planning authority.

When planning permission is granted for phased development then under section 27B(2) the permission is to be granted subject to a condition that as soon as practicable after each phase, other than the last, is completed, the person carrying out the development is to give notice of that completion to the planning authority.
