Evening Fiona

I refer to the notification about the appeal for planning plots 1 and 2 on land North of Cakemuir House Nenthorn. I have a comment to add. In this application under point 5.11 it is noted that ' constructions is anticipated to begin in the near future' on land adjoining the proposed new building site (LPA ref 20\01275\PPP) land I part own. I'm not sure how they can say this as to my knowledge construction is not being considered by us now or in the near future. I know this is just a point to correctness in their application. I'm also not sure how they have this knowledge as they have at no time contacted me about the planning permission on this parcel of land and on their original application no notification in the press was made.

Please keep me informed of the outcome of the appeal

Kind regards
Fenella Walker
