Dear Scottish borders council

Re: Summerhouse and driveway planning

Good morning, I hope this letter finds you well. I am writing this letter in full support of my neighbour Mr Conrad Campbell and his summer house and driveway. Before Conrad had started the build, he came to myself and asked if I would have any objections to the work he was going to carry out. I explained I would be more than happy with the work he was going to do as I thought it would make our area look more appealing and would make use of his garden area.

I had seen the build from start to finish and the end results were exceptional. I am more than happy with Conrad's summerhouse and driveway and would be disappointed if this was objected after seeing all the hard work that had been put in.

Kind regards
