Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

- Land affected
- Legal issues

Comment: There is an existing Right of Way through the former steading at Haughhead Farm to access the riverside from the public road. This existed when the railway was operational and is still used to this day. Protection is required to allow continued use of this Right of Way.

No objections to building these houses as it will tidy up derelict buildings and improve the appearance of the area.
