Dear Sir/Madam,

Re: MR. LEE TUCKHILL 15, HOWDEN BURN CT. Jedburgh

I am writing in support of the above named, with regard to the very small extension of his fence - above the garage (to house his daughters bicycles, I understand).

As a vehicle driver myself, I do not find this impairing my vision in any way, at the junction of Howdenburn Court & Howdenburn Court.

The building I see first is the white garage after the small fence, but again, it does not impair my vision.

P. To.

I do hope you will reconsider the refusal of this planning decision and allow it to be approved.

I am,

Yours faithfully.

  
MARGARET C. DOVATTY.
