Petition Title: Restore access to Exchange Street from Market Place, Jedburgh.

Petition Statement:

For the last number of years, Exchange Street, Jedburgh has had a 'No Entry' sign, stopping traffic entering from Market Place.

This has brought additional traffic onto The Friars, from vehicles needing to access properties on and adjacent to Lanton Road, such as Cairnmount, Exchange Street properties, 5 businesses, the redevelopment of the Port House, and residents of Burn Wynd.

It has also meant that residents of The Friars, must drive the length of the road to turn at the car park adjacent to Willow Court, and double back on themselves to access their driveways.

We have witnessed drivers ignoring the no entry sign and causing an accident risk by driving up Exchange Street from Market Place.

We need this situation to be resolved immediately, so that traffic can enter Exchange Street from Market Place safely.

This can be achieved by use of traffic lights, a priority 'Give.Way' system, or another solution to manage the traffic appropriately.

This will benefit drivers who need to use Exchange Street and Lanton Road, reduce traffic on The Friars, and allow residents to access their properties with greater ease than during past years.
