3 BACKGROUND

3.1 This report provides the Committee with financial information for the period to 30 September 2015 and projections to 31 March 16. The report also contains a projected balance sheet for the Common Good Fund to 31 March 2016.

4 FINANCIAL POSITION 2015/16

4.1 Appendix 1 provides detail on income and expenditure for the 2015/16 financial year. The projected net position for the year is a deficit of £3,669, assuming full expenditure of the grants and donations budget of which £7,500 remains to be allocated.

4.2 **Income & Expenditure – Rental Income**

Rental income for 2015/16 is shown on Appendices 1 & 3, with Appendix 3 detailing the projected annual rental income by individual property.

4.3 **Income & Expenditure – Non-Property Related Income**

The projected out-turn includes an estimate for the interest receivable on cash deposited with the Council. This, however, does not show as an actual income until the end of the financial year as amount is dependent on interest rates and the average cash revenue balance invested with the Council over the full financial year. The annual rate of interest applied to the cash deposits is expected to be around 0.4%.

4.4 The capital reserve is invested in the Newton Fund and distributions are made twice a year in September and February. Dividends of £1,843 were received in September 2015 in line with the proposed budget of £3,400 for the year. The proposed budget for 2015/16 is based on a distribution of 2.5% which will be subject to the overall performance of the fund.

4.5 **Income & Expenditure – Property Expenditure**

The property expenditure to 30 September 2015 is detailed in Appendix 3 by property.

4.6 **Income & Expenditure – Grants & Other Donations**

The grants and other donations distributed to 30 September 2015 are shown below. There are currently £11,500 grants and other donations that have been approved but not yet paid.

---------------------------	--	--------------

4.7 Income & Expenditure – Depreciation Charge

The depreciation charge is projected to be £76,358 based on the revaluation of the properties at 1 April 2014. This is not a cash transaction.

4.8 Appendix 2 provides the balance sheet value to 31 March 2015, the projected movement in year and a projected balance at 31 March 2016.

4.9 Balance Sheet – Fixed Assets

All fixed assets of the Common Good Fund are revalued every 5 years as part of the Council’s rolling programme. The fixed assets were revalued at 1 April 2014. Appendix 3 shows the values of the individual properties at 31 March 2015, projected depreciation charges 2015/16 and projected value at 31 March 2016.

4.10 Balance Sheet – Newton Investment

- a) The markets remain volatile due to the continued downturn in the growth rate of the Chinese economy and the US Federal Reserve’s decision to leave US interest rates unchanged. This has resulted in a small negative return of -0.78% for the quarter to 30 September 2015 in comparison to equity markets which fell by 6% in the same period. Newton continues to put plans in place to protect the Fund.
- b) Due to the volatility of the market conditions the projections do not include estimates for movements in the unrealised gains. Appendix 4 shows the performance of the Newton Fund since inception.

4.11 Balance Sheet – Cash Balance

The cash held by the fund is projected to be £86,422, an in year projected decrease of £3,669. The projected cash movement for 2015/16 is as follows:

Cash Balance	£
Opening Balance at 1 April 2015	90,091
Projected Deficit for year from Income & Expenditure Statement	(3,669)
Projected Closing Balance at 31 March 2016	86,422

4.12 Balance Sheet – Capital Reserve

The projections for the Capital Reserves include the unrealised gain for the Newton Fund as at 31 March 2015 but due to the extremely volatile nature of the markets no estimate has been made for the current years’ movement.
