FOREWORD

The implementation of the audit and reporting requirements of the Office of the Scottish Charity Regulator (OSCR) now requires that full audited accounts for this Charity are prepared.

Working with OSCR, Scottish Borders Council completed the first step of the re-organisation of a number of trusts. This resulted in the establishment of the SBC Education Trust, the “Trust”, in 2014/15. Investigative work commenced in 2015/16 to identify further “Educational” trusts which could be integrated into this Charity. This work has been ongoing throughout the year and a further report will be submitted to Scottish Borders Council during 2022/23 around the possible amalgamation of educational based trusts and bequests into the SBC Education Trust.

STATEMENT OF TRUSTEES' RESPONSIBILITIES IN RESPECT OF THE TRUSTEES' ANNUAL REPORT AND FINANCIAL STATEMENTS

Under charity law, the trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations. The trustees have elected to prepare the financial statements in accordance with FRS102, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The financial statements are required by law to give a true and fair view of the state of affairs of the charity and of the excess of income over expenditure for that period.

In preparing these financial statements, generally accepted accounting practice entails that the trustees:

- **Select suitable accounting policies and then apply them consistently;**
- **Make judgements and estimates that are reasonable and prudent;**
- **State whether applicable UK Accounting Standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;**
- **State where applicable, whether the financial statements comply with the trust deeds and rules, subject to any material departures disclosed and explained in the financial statements and**
- **Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.**

The trustees are required to act in accordance with the rules of the charity, within the framework of trust law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the charity at that time, and to enable the trustees to ensure that, where any statements of accounts are prepared by them under the Charities and Trustee Investment (Scotland) Act 2005, those statements of accounts comply with the requirements of regulations under that Act. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the financial and other information included on the charity's information/section on the Scottish Borders Council website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material to the financial statements.

Basis of Preparation

The accounts (financial statements) have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the FRS102, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Funds Structure

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include the designated funds where the trustees, at their discretion, have created a fund for a specific purpose

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed.

Income Recognition

Under FRS102, income is recognised when it is receipt is “probable”, rather than “virtually certain”, which was the case under the previous Charities SORP 2005.

Full recognition criteria are:

- Entitlement – control over the rights or other access to the economic benefit has passed to the charity
- Probable – it is more likely than not that the economic benefits will flow to the charity
- Measurement – the monetary value or amount of the income and the costs to complete the transactions can be measured reliably

Accruals of Income and Expenditure

Activity is accounted for in the year that it takes place, not simply when cash payments are made or received. In particular:

- Donations and grants are recorded as expenditure when they are approved or if approved in principle only, when final confirmation of amount is received by the applying body.
- Where income and expenditure have been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the balance sheet.
- Income and expenditure are credited and debited to the relevant revenue account, unless they properly represent capital receipts or capital expenditure.

Donations & Legacies

All donations and gifts are included within incoming resources under Restricted Funds. Donations and Gifts in Kind are brought into the financial statements at their market value to the charity.

Resources Expended

Resources expended are analysed between charitable activities, costs of raising funds and governance costs. Charitable activities include all direct costs and other support costs.

Investments

Investments are initially recognised at their transaction value and subsequently measured at their market value as at the balance sheet date using closing quoted market price.

Unrealised gains and losses represent the difference between market value at the beginning and the end of the financial year, or if purchased in the year the difference between cost and market value at the end of the financial year. Realised gains and losses represent the difference between the proceeds and cost.

Short Term Investments

Short Term Investments are current asset investments which are disposable without curtailing or disrupting the business and are either convertible into known amounts of cash at or close to their carrying values. Short Term Investments comprise of call deposits with the Council.
