

Vision for Levelling up Group.

Vision

Sport for all

Purpose

Make Whitestone Park a place where anyone in Peeblesshire can participate in sport or physical activity.

Mission

Build a community sports club that provides both social and sporting benefits in equal measures through:

1. A comprehensive range of sports facilities for the people of Peeblesshire, available for use by many of Peebles's sports clubs.
2. A resource for the whole community - whatever their level of interest in sport - that brings people together in a way that other facilities are unable to achieve.
