FOREWORD

The implementation of the audit and reporting requirements of the Office of the Scottish Charity Regulator (OSCR) now requires that full audited accounts for this Charity are prepared.

Due to the Ormiston Institute containing heritable assets it has not been included in the new Charities recently established by Scottish Borders Council following a reorganisation of a number of trusts, in consultation with OSCR. The Ormiston Institute remains a single registered charity.

STATEMENT OF TRUSTEES' RESPONSIBILITIES IN RESPECT OF THE TRUSTEES' ANNUAL REPORT AND FINANCIAL STATEMENTS

Under charity law, the trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and regulations. The trustees have elected to prepare the financial statements in accordance with FRS102, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The financial statements are required by law to give a true and fair view of the state of affairs of the charity and of the excess of expenditure over income for that period.

In preparing these financial statements, generally accepted accounting practice entails that the trustees:

- **Select suitable accounting policies and then apply them consistently;**
- **Make judgements and estimates that are reasonable and prudent;**
- **State whether applicable UK Accounting Standards and the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;**
- **State where applicable, whether the financial statements comply with the trust deeds and rules, subject to any material departures disclosed and explained in the financial statements and**
- **Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.**

The trustees are required to act in accordance with the rules of the charity, within the framework of trust law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the charity at that time, and to enable the trustees to ensure that, where any statements of accounts are prepared by them under the Charities and Trustee Investment (Scotland) Act 2005, those statements of accounts comply with the requirements of regulations under that Act. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the financial and other information included on the charity's information/section on the Scottish Borders Council website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material to the financial statements.

Basis of Preparation

The accounts (financial statements) have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the FRS102, the Charities and Trustee Investment (Scotland) Act 2005 and the Charities Accounts (Scotland) Regulations 2006 (as amended).

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Funds Structure

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objects. Unrestricted funds include the designated funds where the trustees, at their discretion, have created a fund for a specific purpose.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed.

Income Recognition

Under FRS102, income is recognised when its receipt is “probable”, rather than “virtually certain”, which was the case under the previous Charities SORP 2005.

Full recognition criteria are:

- Entitlement – control over the rights or other access to the economic benefit has passed to the charity
- Probable – it is more likely than not that the economic benefits will flow to the charity
- Measurement – the monetary value or amount of the income and the costs to complete the transactions can be measured reliably

Accruals of Income and Expenditure

Activity is accounted for in the year that it takes place, not simply when cash payments are made or received. In particular:

- Donations and grants are recorded as expenditure when they are approved or if approved in principle only, when final confirmation of amount is received by the applying body.
- Where income and expenditure have been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the balance sheet.
- Income and expenditure are credited and debited to the relevant revenue account, unless they properly represent capital receipts or capital expenditure.

Donations & Legacies

All donations and gifts are included within incoming resources under Restricted Funds. Donations and Gifts in Kind are brought into the financial statements at their market value to the charity.

Resources Expended

Resources expended are analysed between charitable activities, costs of raising funds and governance costs. Charitable activities include all direct costs and other support costs.

Tangible Fixed Assets and Depreciation

Tangible fixed assets, with a value greater than £5,000, having a value to the business greater than one year, other than those acquired for the purpose of specific projects, are capitalised.

Land is held at current valuation and is not depreciated. All tangible fixed assets are subject to revaluation every five years, with the last revaluation being undertaken in 2021/22. Depreciation is charged on all tangible fixed assets other than land at a rate which will reduce the current value of the asset to its residual value over the remaining effective life of the asset.

Investments

Investments are initially recognised at their transaction value and subsequently measured at their market value as at the balance sheet date using closing quoted market price.

Unrealised gains and losses represent the difference between market value at the beginning and the end of the financial year, or if purchased in the year the difference between cost and market value at the end of the financial year. Realised gains and losses represent the difference between the proceeds and cost.

Short Term Investments

Short Term Investments are current asset investments which are disposable without curtailing or disrupting the business and are either convertible into known amounts of cash at or close to their carrying values. Short Term Investments comprise of call deposits with the Council.

2020/21 £		2021/22 £
1	Bank Interest Receivable	0
415	Income from Investment Portfolio	504
416		504

Following a prior year drop in the income from the Aegon Investment Fund due to the impact of Covid-19, dividend income has returned to pre-pandemic levels in the current year.

2 Expenditure on Raising Funds

Expenditure on Raising Funds includes a depreciation charge for the use of the asset and is funded from the Restricted Funds. This is not a cash transaction.

3 Charitable Activities during 2021/22

A single grant is made to Live Borders to maintain the property and provide the services required under the Charity terms.

4 Governance Costs

The fee for the external audit of the charity is charged against Scottish Borders Council General Fund and notionally recharged to the Ormiston Institute, recognised under Governance Costs. This fee amounted to £500 in 2021/22. A notional grant from SBC to cover the full cost is recognised under Donations and Legacies. No Trustee remuneration or other expenses were incurred.

5 Tangible Fixed Assets

The charity has a fixed asset of the Ormiston Institute building and land at Greenyards in Melrose. Following completion of the recent building works to the Ormiston Institute building, an out of cycle revaluation has been carried out as at 1 April 2021.

INDEPENDENT AUDITOR'S REPORT

to the trustees of Scottish Borders Council Ormiston Trust for Institute and the Accounts Commission for Scotland

Reporting on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of Scottish Borders Council Ormiston Trust for Institute for the year ended 31 March 2022 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, the Balance Sheet, and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of the charity as at 31 March 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern basis of accounting

I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

Responsibilities of the trustees for the financial statements

As explained more fully in the Statement of Responsibilities, the trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees intend to discontinue the charity's operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities outlined above to detect material misstatements in respect of irregularities, including fraud. Procedures include:

- obtaining an understanding of the applicable legal and regulatory framework and how the charity is complying with that framework;
- identifying which laws and regulations are significant in the context of the charity;
- assessing the susceptibility of the financial statements to material misstatement, including how fraud might occur; and
- considering whether the audit team collectively has the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the charity's controls, and the nature, timing and extent of the audit procedures performed.

Irregularities that result from fraud are inherently more difficult to detect than irregularities that result from error as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Reporting on other requirements

Other information

The trustees are responsible for other information in the statement of accounts. The other information comprises the Trustees' Annual Report.

My responsibility is to read all the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on the Trustees' Annual Report to the extent explicitly stated in the following opinion prescribed by the Accounts Commission.

Opinions prescribed by the Accounts Commission on the Trustees' Annual Report

In my opinion, based on the work undertaken in the course of the audit, the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or

- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.
