Business Review

Background

Scottish Borders Council (the Council) in partnership with Scottish Futures Trust Investments Ltd (SFT) have established a Council Led House Building Programme (National Housing Trust (NHT) Local Authority (LA) Variant in order to deliver more affordable housing in the Scottish Borders in line with the Local Housing Strategy. This NHT LA Variant, Bridge homes LLP aims to deliver up to 200 homes for mid-market rent.

Bridge Homes is 99.999% owned by the Council and is financed under a Facility Agreement with the Council to borrow up to £18.8m along with a £3.3m contribution from the Councils' Affordable Housing Investment Budget.

The Scottish Government provides a guarantee of rent to cover the loan of up to £3,000 per housing unit delivered.

SFT monitors the projects as a result of the Scottish Government guarantee for the loans.

Governance

The Bridge Homes Board has been established with 2 Council Senior Officers and 1 SFT Senior Officer on the Board. The Board meets quarterly and the financial viability of projects require to be signed off by all 3 Directors.

A Project Board, supported through the Council, has been established and meets regularly to oversee the development and delivery of the initiative. A Project Team, consisting of officers from the Council, has also been established to identify properties, secure property management service providers, develop systems and deliver the project.

Activity Summary

Bridge Homes was legally established in 2014/15 as a Limited Liability Partnership between Scottish Borders Council and Scottish Futures Trust in order to provide additional affordable housing for mid-market rent via the National Housing Trust / Local Authority Variant Initiative. By 31 March 2018 Bridge Homes owned 45 homes at Castle View Ayton, Queen Elizabeth Drive Galashiels, Standalane Way Peebles, Croft Field Court Denholm, Henderson's Court Kelso, and Waverley Road Innerleithen.

During 2018/19 Bridge Homes acquired an additional 4 flats at Hydro Gardens Peebles and 5 houses at Washington Avenue Kelso. Therefore by year end 31 March 2019 Bridge Homes owned 54 affordable homes across Scottish Borders. These final 9 acquisitions effectively brought an end to the development, or acquisition, phase of Bridge Homes' activity. 31 March 2019 was also the extended initiative deadline for completed homes delivery agreed between the Council and Scottish Government.

In August 2018, Bridge Homes agreed to extend the existing 3 year Managing Agent contract with Orchard and Shipman by a further 2 years on the same terms and conditions. During 2019/20, there were subsequent discussions between the parties which culminated in the contract being extended for a further 3 years, with the fee being increased slightly, starting from 31 August 2020.

Following the decision by Borders Property Maintenance to withdraw from its relationship with Orchard and Shipman for the provision of response repairs, a range of alternative contractors covering all trades has been secured. Response Repairs and other Key Performance Indicator reporting arrangements continue as per the contract.

The Covid-19 pandemic prompted concerns regarding potentially adverse impact on response, repairs and rent collection performance. These have been monitored closely since the start of the pandemic. The latter was a particular concern since it could potentially impact by triggering the Scottish Government rental guarantee. In order to enhance scrutiny of this potential risk, Scottish Futures Trust developed and implemented an additional standard monthly rent monitoring template which has been implemented by all the LLPs established through the National Housing Trust / Local Authority Initiative. Orchard and Shipman has been providing the requested information. Repairs performance and rental income collected have been closely monitored and remained at a high level, and have not been proven to be matters of concern.

The National Housing Trust / Local Authority Variant model is predicated on the disposal of Bridge Homes properties sometime between their fifth and tenth year anniversaries in order to repay the loan capital to the Council. The terms of The Local Authority Variant model means that Bridge Homes LLP tenants did not have the option to purchase. Eildon Housing Association has previously expressed a willingness to collaborate with the Council and Scottish Futures Trust to explore ways to transfer all of the the LLP's housing stock to the Association, thereby retaining the homes in the affordable housing sector in perpetuity, and enabling existing tenants to continue living in their homes.

Council Officers consequently met with their Scottish Government / More Homes Division and Scottish Futures Trust counterparts in order to identify and agree a preferred way forward for a potential disposal strategy. The experience gained by Scottish Futures Trust and Scottish Government / More Homes Division and Housing Policy staff from previous LLP disposals helped progress the thinking regarding how best to progress the Bridge Homes LLP disposal.

Slippage in spend across the National and Scottish Borders Affordable Housing Supply Programmes "AHSP" early in 2021/22, presented the ideal opportunity to grant assist the disposal of Bridge Homes LLP housing stock to Eildon Housing Association.

Discussions between the stakeholders confirmed a willingness to agree a plan and process to transfer the houses to Eildon HA if it could be achieved by 31 March 2022. This was critical since this would ensure that the Association would secure AHSP grant to assist them purchase the homes.

The proposed disposal to the Association was agreed by the meeting of Scottish Borders Council on 16 December 2021, and subsequently by the Board of the LLP on 17 January 2022. This cleared the way for the disposal strategy to be successfully implemented, with the transfer to the Association settling on 25 March 2022 as planned.

Since settlement date, Scottish Futures Trust and Council staff have been working on progressing payment of a small number of residual outstanding invoices relating to activity and responsibilities prior to 25 March 2022. This has been assisted by Orchard and Shipman's cooperation with the ending of their managing agent role.

STATEMENT OF MEMBERS' RESPONSIBILITIES IN RESPECT OF THE MEMBERS' REPORT AND FINANCIAL STATEMENTS

The members are responsible for preparing the Members' Report and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under Regulation 8 of the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of its profit or loss for that period. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the LLP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the LLP or to cease operations, or have no realistic alternative but to do so. As the intention is to liquidate Bridge Homes, members have used a basis other than going concern.

Under Regulation 6 of the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008, the members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that its financial statements comply with those regulations. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the LLP and to prevent and detect fraud and other irregularities.

The members are responsible for the maintenance and integrity of the corporate and financial information included on the LLP's website. Legislation in the UK governing the preparation and dissemination of financial statements may differ from legislation in other jurisdiction

ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material to the financial statements.

Basis of Preparation

The financial statements have been prepared under historic cost accounting rules modified for the revaluation of certain fixed assets and in accordance with FRS 102 1A, the Financial Reporting Standard applicable in the UK and Republic of Ireland, and the Statement of Recommended Practice: Accounting by Limited Liability Partnerships (effective 2019) issued by the CCAB (Consultative Committee of Accountancy Bodies).

Basis Other than Going Concern

Bridge Homes is 99.999% owned by Scottish Borders Council and is financed under a Facility Agreement with the Council to borrow up to £18.8m along with a £3.3m contribution from the Councils' Affordable Housing Investment Budget.

As at 31 March 2022, as a result of the sale of properties to Eildon Housing Association, the drawn down amounts under the facility agreement have been repaid.

The Members have undertaken a going concern assessment. As a result of the disposal of the properties and the intention to cease trading, the financial statements have been prepared on a basis other than going concern. Bridge Homes LLP continues in existence albeit as a non-trading company. There were no adjustments necessary for the Assets and Liabilities as a result of the basis other than going concern.

Accruals of Income and Expenditure

Activity is accounted for in the year that it takes place, not simply when cash payments are made or received. In particular:

- Fees, charges and rents due from tenants are accounted for as income at the date the relevant service is provided.
- Supplies are recorded as expenditure when they are consumed – where there is a gap between the date supplies are received and their consumption they are carried as inventories on the Balance Sheet.
- Interest payable on capital advances is accounted for based on the applicable 4^{1/2} - 5 year PWLB (Public Works Loan Board) fixed interest rate applicable at the date the borrowing was initially incurred.
- Where income and expenditure have been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the balance sheet.
- Income and expenditure are credited and debited to the revenue account, unless they properly represent capital receipts or capital expenditure.

Turnover

Turnover represents invoiced rental income from tenanted investment properties. This rental income is exempt from value added tax.

Tangible Fixed Assets

Tangible fixed assets, with a value greater than £1,000, having a value to the business greater than one year, other than those acquired for the purpose of specific projects, are capitalised.

With the sale of the Properties, Bridge Homes no longer has fixed assets reported on the Balance Sheet as at 31st March 2022.

Cash and Liquid Assets

Cash, for the purposes of the cash flow statement, comprises cash in hand and deposits repayable on demand. Liquid resources are current asset investments which are disposable without curtailing or disrupting the business and are either convertible into known amounts of cash at or close to their carrying values. Liquid resources comprise term deposits of less than one year.

Inventories

Any inventories are included in the Balance Sheet at the lower of cost and net realisable value.

Support Services

The costs of support services provided by Scottish Borders Council are charged to Bridge Homes LLP in accordance with the costing principles of the CIPFA Service Reporting Code of Practice 2016/17 (SeRCOP).

Accounting estimates and judgments disclosure note

The Annual Accounts no longer contain estimated figures that are based on assumptions made by Bridge Homes about the future or that are otherwise uncertain.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BRIDGE HOMES LLP

Opinion

We have audited the financial statements of Bridge Homes LLP ("the LLP") for the year ended 31 March 2022, which comprise the Profit and Loss Account, Balance Sheet, Cash Flow Statement, Statement of Changes in Equity, and related notes, including the accounting policies.

In our opinion the financial statements:

- give a true and fair view of the state of the LLP's affairs as at 31 March 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards applicable to smaller entities, including Section 1A of FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the LLP in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Emphasis of matter – non-going concern basis of preparation

We draw attention to the disclosure made in note 1.3 to the financial statements which explains that the financial statements are now not prepared on the going concern basis for the reasons set out in that note. Our opinion is not modified in the respect of this matter.

Fraud and breaches of laws and regulations – ability to detect

Identifying and responding to risks of material misstatement due to fraud:

To identify risks of material misstatement due to fraud ("fraud risks") we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of members as to the LLP's high-level policies and procedures to prevent and detect fraud, as well as whether they have knowledge of any actual, suspected or alleged fraud.
- Used analytical procedures to identify any unusual or unexpected relationships.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit.

As required by auditing standards, we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because revenue comprises of simple transactions and is being collected monthly by a third party.

We did not identify any additional fraud risks.

We also assessed significant accounting estimates for bias.

Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit. The potential effect of these laws and regulations on the financial statements varies considerably.

Firstly, the LLP is subject to laws and regulations that directly affect the financial statements including financial reporting legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Secondly, the LLP is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect: health and safety, anti-bribery, employment law, residential tenancy regulations, recognising the financial nature of the LLP's activities and its legal form. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the members and inspection of regulatory and legal correspondence, if any. Therefore, if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

Other Information

The members are responsible for the members' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

We have nothing to report in these respects.

Member's responsibilities

As explained more fully in their statement set out on page 5, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the LLP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the LLP or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.
