Place Making and Community Engagement Sign Up

The way we are engaging with our residents is changing - and we want you to have your say

Place making is a process of community engagement where the opinions and desires of the community are used to inform the future of the places we live, work and play - and by getting involved and telling us what matters to you, we can make sure the voices of all Scottish Borders residents are heard.

Sign up to receive updates from Scottish Borders Council on community engagement events in your areas, to find out about active consultations, funding opportunities, and who to contact when you have an amazing idea to benefit your neighbourhood.

SBC 2023/24 Budget Survey

Borders residents are being urged by cross-party politicians to complete a new survey and help shape the next Council budget, due to be set in February 2023.

The survey also provides Borderers with the opportunity to provide feedback on a number of other areas, including public transport, health and social care and the development of local plans within communities.

Closes 31 January 2023
