Select No if you have answered “No” to all of Sections 3.1 – 3.3.

**No**

**If a full impact assessment is not required briefly explain why there are no effects and provide justification for the decision.**

I do not believe that a full Integrated Impact Assessment is required in this case as we are seeking Council agreement for an elected member (specifically the executive member for Developing Our Children & Young People) to join the Children and Young People’s Planning Partnership as a voting member alongside a wider multi-agency group of people who are looking to improve outcomes for this group.
