FOR THE INFORMATION OF THE APPLICANT

It should be noted that:

- 1 The Council's Flood Protection Officer advises the following:

I recommend that the applicant adopts water resilient materials and construction methods as appropriate in the development and that the applicant review the Online Planning Advice on Flood Risk.

I would also recommend that, to receive flood warnings from SEPA, the applicant signs up to FLOODLINE at www.sepa.org.uk or by telephone on 0845 988 1188.

N.B: This permission does not include any consent, approval or licence necessary for the proposed development under the building regulations or any other statutory enactment and the development should not be commenced until all consents are obtained.

Notice of Initiation of Development

Section 27 of the Town and Country Planning (Scotland) Act (as amended) requires that any person who has been granted planning permission (including planning permission in principle) and intends to start development must, once they have decided the date they will start work on the development, inform the planning authority of that date as soon as is practicable. A form is enclosed with this decision notice for this purpose.

Notice of Completion of Development

Section 27B requires that any person who completes a development for which planning permission (including planning permission in principle) has been given must, as soon as practicable after doing so, give notice of completion to the planning authority.

When planning permission is granted for phased development then under section 27B(2) the permission is to be granted subject to a condition that as soon as practicable after each phase, other than the last, is completed, the person carrying out the development is to give notice of that completion to the planning authority.
