REASON FOR DECISION

Subject to compliance with the schedule of conditions, the development will accord with the relevant provisions of the Local Development Plan 2016 and there are no material considerations that would justify a departure from these provisions.

SCHEDULE OF CONDITIONS

- 1 No works in connection with the development hereby approved shall commence until colours of all the materials to be used in the external finish for the approved development have been submitted to and approved in writing by the Planning Authority. The development shall not be occupied unless the external finishes have been applied in accordance with the approved details.
Reason: In the interests of the appearance of the development and the visual amenities of the area.
- 2 All planting, seeding or turfing comprised in the approved details of landscaping shall be carried out in the first planting and seeding seasons following the occupancy of the dwellinghouse or the completion of the development, whichever is the sooner, and shall be maintained thereafter and replaced as may be necessary for a period of two years from the date of completion of the planting, seeding or turfing.
Reason: To ensure the implementation of a satisfactory scheme of landscaping which will help to integrate the proposed development into the local landscape in the interests of the visual amenities of the area.
- 3 The development hereby approved shall not be occupied until the access to the site had been formed in accordance with the approved drawing (drawing no. 1909C01B). Once provided, the access shall thereafter be permanently retained as such.
Reason: To ensure satisfactory access and to protect the integrity of the public road.
- 4 The development hereby approved shall not be occupied until parking for two vehicles, excluding garages, has been provided within the curtilage of the dwellinghouse. Once provided, the car parking area shall thereafter be permanently retained as such.
Reason: To ensure the property is served by adequate parking at all times.
