REASON FOR DECISION

Subject to compliance with the schedule of conditions, the development is acceptable, having principally had regard to the relevant provisions of the Local Development Plan 2016 but also having had regard to overriding material considerations in this case which are as set out in the Report of Handling.

SCHEDULE OF CONDITIONS

- 1 No development shall commence until the details of the layout, siting, design and external appearance of the building(s), the means of access thereto and the landscaping of the site have been submitted to and approved in writing by the Planning Authority.
Reason: To achieve a satisfactory form of development, and to comply with the requirements of Section 59 of the Town and Country Planning (Scotland) Act 1997, as amended by the Planning etc. (Scotland) Act 2006.
- 2 Application for approval of matters specified in the conditions set out in this decision shall be made to the Planning Authority before whichever is the latest of the following:
(a) the expiration of three years from the date of this permission, or
(b) the expiration of six months from the date on which an earlier application for approval of matters specified in the conditions set out in this decision notice was refused or dismissed following an appeal.
Only one application may be submitted under paragraph (b) of this condition, where such an application is made later than three years after the date of this consent.
Reason: To achieve a satisfactory form of development, and to comply with the requirements of Section 59 of the Town and Country Planning (Scotland) Act 1997, as amended by the Planning etc. (Scotland) Act 2006.
- 3 The development hereby permitted shall be begun before the expiration of two years from the date of approval of the last of the matters specified in the conditions set out in this decision.
Reason: To achieve a satisfactory form of development, and to comply with the requirements of Section 59 of the Town and Country Planning (Scotland) Act 1997, as amended by the Planning etc. (Scotland) Act 2006.
- 4 No trees shall be removed and all applications for approval of reserved matters under Condition 1 shall include an Arboricultural Implications Assessment which covers all trees within and adjacent to the site in accordance with BS5837:2012. The development shall be designed to safeguard all existing trees as identified on the indicative Site Plan (Drawing No L01) unless otherwise agreed in writing by the Planning Authority.
Reason: In the interests of preserving the health and vitality of existing trees on the development site, the loss of which would have an adverse effect on the visual amenity of the area.
- 5 No development shall take place except in strict accordance with a scheme of hard and soft landscaping works, which has first been submitted to and approved in writing by the Planning Authority. Details of the scheme shall include (as appropriate):

- i. existing and finished ground levels in relation to a fixed datum preferably ordnance
- ii. existing landscaping features and vegetation to be retained and, in the case of damage, restored
- iii. location and design, including materials, of walls, fences and gates
- iv. soft and hard landscaping works
- v. existing and proposed services such as cables, pipelines, sub-stations
- vi. other artefacts and structures such as street furniture, play equipment
- vii. A programme for completion and subsequent maintenance.

Reason: To ensure the satisfactory form, layout and assimilation of the development.

- 6 The means of water supply and of both surface water and foul drainage to be submitted to and approved by the Planning Authority before the development is commenced.

Reason: To ensure that the site is adequately serviced.

- 7 The access shall provide visibility splays of 2.4m by 160m in both directions on to the public road unless an alternative distance of visibility is agreed with by the Planning Authority in response to Condition 1 and the new access shall be completed prior to occupation of the dwellinghouse and the visibility splays shall be maintained in perpetuity thereafter.

Reason: To provide safe vehicular access on to the public road.

- 8 Prior to occupation of the dwelling house two parking spaces and turning area shall be properly formed and consolidated within the site and thereafter retained in perpetuity.

Reason: To ensure the appropriate parking provision is provided and maintained within the site.

FOR THE INFORMATION OF THE APPLICANT

N.B: This permission does not include any consent, approval or licence necessary for the proposed development under the building regulations or any other statutory enactment and the development should not be commenced until all consents are obtained.

Notice of Initiation of Development

Section 27 of the Town and Country Planning (Scotland) Act (as amended) requires that any person who has been granted planning permission (including planning permission in principle) and intends to start development must, once they have decided the date they will start work on the development, inform the planning authority of that date as soon as is practicable. A form is enclosed with this decision notice for this purpose.

Notice of Completion of Development

Section 27B requires that any person who completes a development for which planning permission (including planning permission in principle) has been given must, as soon as practicable after doing so, give notice of completion to the planning authority.

When planning permission is granted for phased development then under section 27B(2) the permission is to be granted subject to a condition that as soon as practicable after each phase, other than the last, is completed, the person carrying out the development is to give notice of that completion to the planning authority.
