Site Survey Plan	Topographical Plan	Refused
2302-L05	Proposed Plans, Sections & Elevations	Refused
2302-L03REVB	Proposed Site Plan	Refused

REASON FOR REFUSAL

- 1 It is considered that the proposals are contrary to National Planning Framework 4 policy 17 and policy HD2 of the Local Development Plan 2016 and Supplementary Planning Guidance New Housing in the Borders Countryside (2008) in that the proposed development would be sited within a previously undeveloped field, beyond the natural and man-made boundaries of the Netherwells building group, outwith the sense of place of the building group and out of keeping with the character of the building group resulting in an unacceptable adverse impact on the landscape and amenity of the surrounding area.

Accordingly, the proposed development would represent a sporadic and unjustified form of development in the countryside, which would set an undesirable precedent for similar unjustified proposals.

- 2 The proposal would be contrary to policy PMD2 of the Local Development Plan 2016 as the poor quality design, over development of the site and inappropriate ribbon development would not be compatible with or respect the character of the surrounding area or building group to the detriment of the character and amenity of the building group.

FOR THE INFORMATION OF THE APPLICANT

If the applicant is aggrieved by the decision of the Planning Authority to refuse planning permission for or approval required by a condition in respect of the proposed development, or to grant permission or approval subject to conditions, the applicant may require the planning authority to review the case under Section 43A of the Town and Country Planning (Scotland) Act 1997 (as amended) within three months from the date of this notice. To seek a review of the decision, please complete a [request for local review](#) form and return it to the Clerk of the Local Review Body, Democratic Services, Council Headquarters, Newtown St Boswells, Melrose TD6 OSA.

If permission to develop land is refused or granted subject to conditions, whether by the Planning Authority or by the Scottish Ministers, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, the owner may serve on the Planning Authority a purchase notice requiring the purchase of his interest in the land in accordance with the provisions of Part 5 of the Town and Country Planning (Scotland) Act 1997 (as amended).
