Plan Ref	Plan Type	Plan Status
A.57,647L 4	Location Plan	Refused
A.57,647c	Location Plan	Refused

REASON FOR REFUSAL

- 1 The development is contrary to policies 1, 2 and 17 of National Planning Framework 4 and HD2 of the Local Development Plan 2016 because it would constitute unsustainable, car dependent, sporadic housing development in the open countryside, unrelated to any existing building group and would be out of keeping with the character of the area. This conflict with the development plan is not overridden by any other material considerations.

FOR THE INFORMATION OF THE APPLICANT

If the applicant is aggrieved by the decision of the Planning Authority to refuse planning permission for or approval required by a condition in respect of the proposed development, or to grant permission or approval subject to conditions, the applicant may require the planning authority to review the case under Section 43A of the Town and Country Planning (Scotland) Act 1997 (as amended) within three months from the date of this notice. To seek a review of the decision, please complete a [request for local review](#) form and return it to the Clerk of the Local Review Body, Democratic Services, Council Headquarters, Newtown St Boswells, Melrose TD6 OSA.

If permission to develop land is refused or granted subject to conditions, whether by the Planning Authority or by the Scottish Ministers, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, the owner may serve on the Planning Authority a purchase notice requiring the purchase of his interest in the land in accordance with the provisions of Part 5 of the Town and Country Planning (Scotland) Act 1997 (as amended).
