

Briefing Note

Civic Government Licensing Committee

Short Term Lets Licensing

Friday 20 October 2023

The purpose of this note is to update members and obtain their views with regard to the imposition of the mandatory licensing conditions as set out in the 1982 Act on any temporary exemptions which are issued to the requirement to hold permanent licence.

Members will recall that at the Council meeting on 31 August 2023 it was agreed that the Council's short term lets licensing policy be amended to allow temporary exemptions to the requirement to hold a permanent licence for holiday home swap purposes. The Act allows Licensing Authorities to grant such temporary exemptions for 6 weeks during a 12 month period. In making this amendment to the policy, Council instructed the Director of Corporate Governance to bring a further paper providing clarity on whether it is necessary to apply all of the mandatory conditions to temporary exemptions.

The Act provides that Licensing Authorities may attach conditions to any temporary exemptions granted. The guidance issued by the Scottish Government states that a licensing authority might not apply all of the mandatory conditions. Despite this, it is apparent that all other Licensing Authorities who have decided to allow temporary exemption applications are making it clear within their policies that any temporary exemptions issued will be subject to the mandatory conditions as set out in the 1982 Act. For ease of reference, the mandatory conditions are attached to this briefing note.

Whilst ultimately it will be a decision for Council, it would be helpful beforehand to obtain the views of the members of the Civic Government Licensing Committee as to whether it is necessary to apply all of the mandatory conditions to a temporary exemption.
