Roads & Transport Infrastructure	
Galashiels Developments	This programme of work continues to deliver Galashiels Inner Relief Road (GIRR) Phases and the Transport Interchange project.
Roads & Bridges block	(including Ramp and Winter Damage/Slopes) - this relates to capital maintenance and refurbishment works relating to the road and bridge infrastructure in the Scottish Borders.
Lighting Asset Management Plan	General Lighting Block - allocation for the routine column, cabling and lamp upgrade programme.
Street Lighting Energy Efficiency Project	A project which will improve 16,000 Scottish Borders lights & associated street furniture by replacing them with an energy efficient LED light source
Accident Investigation Prevention Schemes Block	minor schemes to address problems at identified accident cluster sites.
Cycling, Walking & Safer Streets	Continuation of Specific Scottish Government Funding to encourage more walking and cycling, especially schools and to connect communities.
A72 Dirtpot Corner -Road Safety Works	Road improvement scheme to provide a fit for purpose carriageway configuration and improve safety at Dirtpot Corner.
A72 Neidpath Corner - Traffic Management	Road improvement scheme to address the restricted carriageway width and lack of verge at a accident site.
Selkirk Town Centre (Streetscape works)	Project to enhance the area around the Market Place through more effective traffic management, partly supported by funding from the Selkirk Conservation Area Regeneration Scheme (CARS)
Innerleithen - Walkerburn - shared access route	Extension of the Peebles - Innerleithen shared access route by a further 1.5 miles alongside the River Tweed.
Union Chain Bridge	Funding of £0.55m has been assumed to match with the current Northumberland County Council (the lead authority) estimate. External funding bid for the refurbishment of the oldest surviving iron chain suspension bridge in use in Europe for its 200th anniversary in 2020
Reston Station Contribution	To support the provision of a new station at Reston supported by potential funding from the Scottish Stations Fund. A contribution towards the project of £1.68m has been included. This is based on an estimate construction cost for the new station and ancillary services e.g. car parking of £3.2m of which the Council would support up to 50%.
Peebles Bridge	There is a future requirement to provide a new bridge in Peebles to support future development proposed in the Local Development Plan. This project is currently estimated at a cost of £18.3m, of which there is an estimate that £2m from developer contributions will be available. The project is still subject to significant public consultation, the development of full design and cost estimates and, final approval of development proposals.
Flood and Costal Protection	
Selkirk Flood Protection	80% Scottish Government (confirmed) grant funded major infrastructure project to provide flood protection to property and businesses in Selkirk from risk of flooding.
Hawick Flood Protection	Proposed 80% (unconfirmed) Scottish Government grant funded infrastructure project to protect residential and commercial properties from flood risk within the River Teviot's flood plain in Hawick.
Jedburgh Flood Protection	To deliver protection measures against flooding from the Skiprunning Burn.
General Flood Protection Block	To deliver natural flood management works, small scale flood and coast protection works.

School Estate	
West Linton Primary School	Final end of project landscaping and completion costs
	Refurbishment of the former high school to provide a relocated primary school to meet future roll projections and provide a Locality Support Centre in Berwickshire for children and young people with Additional and Complex Needs complimenting the new Central Complex Needs Education Base. Project supported by Scottish Futures Trust (SFT) funding.
Kelso High School	Provision of a new Kelso High School to provide a fit for purpose school, secured 100% SFT funding for school building. The project assumes the provision of a synthetic pitch which is anticipated to attract SportScotland match funding.
School Review	Ambitious large scale project to significantly improve the school estate to match current and future demand. Included in scope is the refurbishment of the Galashiels Academy and the improvement/enhancement of primary school provision. This programme assumes the continuation of Scottish Government funding to support school infrastructure.
	Provision of new primary school at Langlee, Galashiels including Early Learning and Complex Needs, all within the grounds of the existing school including the demolition of the former school.
Broomlands Primary School	Provision of new primary school at Broomlands, Kelso, including Early Years, all within the grounds of the existing school including the demolition of the former school.
School Health & Safety Block	Programme of works across the school estate to ensure compliance with a range of legislation in relation to Health & Safety, Care Inspectorate, Environmental Health and Insurers and enable improvement of safety in schools.
	Programme of works to improve a number of schools through extension, refurbishment and adaptations to provide and meet increasing demographic demand and addressing issues identified by the School Estate Management Plan in relation to condition and suitability. This block allocation has been included at a similar level as in the previous Capital Plan pending the undertaking of a full School Review which will inform the updating of the School Estate Management Plan and investment priorities.
School Kitchen Improvement Block	Programme of works to refurbish and improve the infrastructure of school kitchens and dining areas to ensure that they meet current legislative requirements, are fit for purpose and support the improvement of meal uptake.
Complex Needs - Central Education Base	Creation of a central facility in Earlston to consolidate existing service provision of Spectrum Support Services and the Complex Needs Outreach Team. Providing a increased accessibility and travel times and maximise expertise through co-location of staff. Facility will compliment the locality and school based services already in place.
	Programme of works to improve access for all pupils, staff and other users with disabilities and to comply with the relevant legislation as it applies to the school estate. Includes provision of specific adaptations to meet the needs of individual pupils with complex needs.
Social Care Infrastructure Residential Care Home Upgrade Block	To provide alterations/upgrading of Waverley and Saltgreens care homes to provide en-suite facilities to future proof the service and enable the facilities to be used for intermediate and long-term care.
