The detail within this report does not have an immediate impact on other policies. In addition, it will inform lease arrangements with third parties in future, more clearly setting out roles and responsibilities of parties. It will also lead to the development of a new insurance claims protocol and process to tighten focus on the steps that need to be taken, the roles that need to be fulfilled, the responsibilities of each party involved and a clear communications plan.

As these steps are taken forward, these will be brought to Executive Ctte for approval and these will be accompanied by an IIA.
