

**Community Council Documentation Retention Schedule CC document retention where is this referred to in Training handbook or Scheme?**

<b>Records Type</b>	<b>Trigger</b>	<b>Retention period</b>	<b>Fate</b>
<b>Decision Making</b>			
Community Council Minutes/Agendas	Current	5 years I assume the instruction in the attached to 'Destroy' Minutes after 5 years is to do with GDPR. However, in our case, the Minutes archive, which goes back to 2008, includes a lot of the local history which we are loath to obliterate. Might it be acceptable to keep, say, hard copies in a locked filing cabinet somewhere?	Destroy Doc 9 – Retention Policy There was some disquiet over the necessity to destroy documents e.g. Minutes after a fixed period of time. The use of historical minutes has been useful to researchers and this could not happen if no records were retained. Would SBC hold records for longer and pass on for heritage storage? What would be the consequences should CCs hold on to data for longer than the stated periods?
