5. PEEBLES TOWN TEAM UPDATE

Crick Carleton provided a summary of progress to date on Place Making in Peebles. The team had produced a working draft of an updated town action plan that was available to view and download from SBC website ([Peebles \(arcgis.com\)](http://Peebles(arcgis.com))). Consultants had been recruited via the SBC Place Making Support Framework to support the finalisation of the place plan and town action plan. At the appropriate time, consultants could be recruited by Place Planning/ Town Teams for two purposes: (1) to support communities in the development of their Place Plan and (2) to develop investment proposals for items identified in Place Plans. Funding was in place to be drawn down from the Shared Prosperity Fund where appropriate. A summary of the consultant's remit was shared with attendees and was expected to be finalised for Peebles in May 2024; the result being an accessible, public facing Town Action Plan to sit alongside the Peebles Place Plan. Attendees were advised that any application for funding had to demonstrate that the objectives were deliverable, fundable and were likely to have the support of Planning partners. A short history of the Peebles Place Making Team and its contributors, including SBC, was provided and the processes of applying for consultancy funding and engaging a consultant was explained. It was suggested that communities required more help to develop capacity within to enable them to take the Place Planning process forward. Borders Community Action was engaged in a pilot project in Berwickshire for a Development Officer whose remit was to build capacity. There was a request for Tweeddale to have a similar role. Hannah Lacon was the SBC point of contact at Hannah.lacon@scotborders.gov.uk.
