

APPENDIX I
APPLICATIONS FOR PLANNING PERMISSION

<u>Reference</u>	<u>Nature of Development</u>	<u>Location</u>
23/01838/FUL	Change of use of visitor parking and land to form garden ground, erection of shed and raised decking	Land West of and Incorporating 19 Birks View, Galashiels

DECISION: Refused (contrary to officer recommendation) for the following reasons:

The application is contrary to Policy IS7 – Parking Provision and Standards and Policy PMD2 – Quality Standards of the Scottish Borders Local Development Plan 2016 in that the loss of existing visitor car parking spaces and the relocation of those spaces will have a significant adverse impact on road safety. The proposed relocation of visitor spaces will result in additional and unacceptable vehicle manoeuvres for existing road users and residents.

NOTE

Mr Stuart Stoddart spoke as an objector to the application.

Nature of DevelopmentAlterations and extension to
dwellinghouse**Location**24 Davidson Place
Newtown St Boswells
Melrose

DECISION: Approved as per officer recommendation subject to the following conditions:

Conditions:

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
Reason: To comply with Section 58 of the Town and Country Planning (Scotland) Act 1997, as amended.
2. The development hereby permitted shall not be carried out otherwise than in complete accordance with the plans and specifications approved by the Planning Authority.
Reason: To ensure that the development is carried out in accordance with the approved details.
3. Notwithstanding the description of the materials in the application, no development shall be commenced until precise details of the materials to be used in the construction of the external walls and roofs of the extensions have been submitted to and approved in writing by the Planning Authority, and thereafter no development shall take place except in strict accordance with those details.
Reason: The materials require further consideration to ensure a satisfactory form of development, which contributes appropriately to its setting.
