Pension Fund Annual Governance Statement 2015/16

Introduction

The Local Government Pension Scheme (Scotland) Regulations 2014 require Administering Authorities to measure their governance arrangements set out against standards set by Scottish Ministers. These standards are established via a number of best practice principles.

The key document summarising the governance arrangements for the Pension Fund is the Governance Policy and Compliance Statement (as amended on 18 June 2015) which is available on the website www.scotborders.gov.uk/pensions.

The Governance Framework

The key elements of the Pension Fund's governance arrangements include:

- a) Scottish Borders Council is the Administering Authority for the Local Government Pension Scheme set up for the Scottish Borders geographic area.
- b) The Council has delegated its responsibilities as Scheme Manager to the Pension Fund Committee. The members of the Committee act as quasi-trustees and oversee the management of the Scottish Borders Council Pension Fund.
- c) The introduction of the Pensions Board, which meets jointly with the Committee, formalises the involvement of the employers and trade unions representing the membership. All members of the Committee and Board are covered equally by the Training Policy to give them full opportunity to contribute effectively.
- d) The approval the first Pension Fund Business Plan covering the period 2015/16 – 2017/18 to improve planning and monitoring of the performance of the Fund and to demonstrate the “Myners Principle” relating to effective decision making. The business plan supports the delivery of the objectives of the Fund which are to deliver a high quality pension service to members that was managed effectively, transparently and was compliant.
- e) The Pension Fund appoints professional advisers and external service providers.
- f) The system of internal financial control operates within a financial strategy and is based on a framework of delegation and accountability for officers and elected members embodied in procedural standing orders, financial regulations, scheme of delegation, scheme of administration, supported by a framework of administrative procedures including the segregation of duties, and regular financial management information. In particular, the system includes comprehensive accounting systems that record income and expenditure for both member and investment activities, regular reviews of investment reports that measure investment returns against agreed benchmarks, regular reviews of investment manager reports that measure performance against agreed targets, and independent performance reviews of the Fund by the Fund's investment consultant and performance monitoring services provider.
- g) The Pension Fund follows the Council's approach to risk management and assesses risk using a scoring methodology and subjects the risk register to regular review.
- h) The Chief Financial Officer (Section 95 officer) for the Council is responsible for ensuring the proper administration of the financial affairs of the Pension Fund. This includes ensuring appropriate advice is given to the Pension Fund on all financial matters, keeping proper financial records and accounts, and maintaining an effective system of internal financial control.

- i) The Chief Officer HR for the Council is responsible for the pension benefit policy oversight and day-to-day administration of member benefits in accordance with statutory legislation and the approved pensions' administration strategy.
- j) The Chief Officer Audit & Risk (Head of Internal Audit) provides an independent and objective annual opinion on the effectiveness of internal control, risk management and governance based on the delivery of an approved plan of systematic and continuous internal audit review in conformance with the Public Sector Internal Audit Standards.
- k) The Pension Fund responds to findings and recommendations of external audit and internal audit, as appropriate. The Audit and Risk Committee is integral to overseeing independent and objective assurance and monitoring improvements in internal control and governance.

Review of Framework

The Council as Administering Authority of the Pension Fund conducts an annual review of the effectiveness of its overall governance framework which is presented to the Audit and Risk Committee whose role includes high level oversight of the Pension Fund's governance, risk management, and internal control arrangements.

The review is informed by the work of an officer assessment of the Fund's compliance with the best practice principles and the detail of this is set out in the Governance Compliance Statement 2015/16, Annex 1.

The review of the effectiveness of the system of internal financial control is informed by the work of professional accountancy staff within the Council, the assurances from the Chief Officer Audit & Risk's annual internal audit opinion and report on the work internal audit, and by the external auditors' reports.

The review cycle for the risk register is undertaken in line with agreed practice and the current status is summarised in the Risk Management Statement.

The conclusion from the review activity outlined above is that in 2015/16 the Pension Fund continued to demonstrate that the governance arrangements and framework within which it operates are sound and effective.

Improvement Areas of Governance

The review has identified some areas where further improvements can be made to enhance the existing governance arrangements:

- a) Development of a communications plan to improve awareness and understanding of stakeholders and encourage maximum membership of the Fund.
- b) Work to fully evaluate the implications of new national policy on freedom of choice of pension sums.

Certification

It is my opinion that reasonable assurance can be placed upon the adequacy and effectiveness of Scottish Borders Council Pension Fund's systems of internal control and governance. Although areas for further improvement have been identified the annual review demonstrates sufficient evidence that the Pension Fund's Governance Policy is operating effectively and that the Pension Fund fully complies with the best practice principles as demonstrated in the Governance Compliance Statement, Annex 1.
