

## Hawick Common Good Sub Committee

### Property Update – 17<sup>th</sup> May 2016

1. Woodlot. Following the newspaper adverts in December 2015 and the presentation from the Woodlots Association in February 2016, no-one has shown a strong interest in taking on the management of the Burgh Woodlands. Discussions with the Woodlot Association are continuing but a potential tenant seems unlikely.

2. Common Haugh Circus. The Big Kid Circus have confirmed their dates to come to Hawick and use the grassed area next to the Common Haugh car park. The dates are Thursday 21<sup>st</sup> to Sunday 24<sup>th</sup> July.

3. Common Haugh. BT wayleave.

BT have requested a wayleave to install an underground duct and cables from Albert Road to the proposed new electronic information sign at the pedestrian entrance to the Common Haugh. Attached is a plan to show the route which is 8 metres long. No payment is proposed from BT for the wayleave because it was requested as part of a Council project for the electronic information signs. If there are no objections, I'll arrange for the wayleave to be signed and returned to BT.
